Check out our website at www.networkofenterprisingwomen.org

At the June Luncheon, Donna Leone, President asked each one of us to answer this question: In a word what motivates you? Here are our answers:

"God, relationships, accomplishment, family, activity in church, creative growth, caring for others, love, this group, creativity, friends and clients, happy energetic people, chocolate, wine, women friends, place at the rivah, caring for customers, feeling inspired, spirit and connection, being the best person that I can be, N.E.W. spirit, that people feel good about themselves, the need to make a difference, satisfaction of customers, money, success, learning about people, helping others achieve success, family by birth and choice, life long learning, moving to Richmond, broadening goals in life, abundance of life, animals, appreciation, challenges, voice of my heart!"

A balance of all of the above will probably keep us happy and motivated!
